## **APPENDIX II: QUALITATIVE AUDIT**

### **Introduction**

- 1) This section contains the qualitative audit and includes the methodology applied and the site scores. Site visits were undertaken to apply the standardised scoring system set out below. Every sports facility and open space in the study area was visited.

### **Sports halls**

#### **2) *Assessment criteria:***

##### **a) *The playing area:*** Presence/absence of:

- Minimum of four-badminton court sized playing area.
- Minimum of 7.6m clear span over the whole of the playing area.
- A flat, non-slip playing surface.
- Accurate and complete line markings for all indoor sports.
- Adequate lighting levels over the whole of the playing area, with no glare, shadows or reflections to distract players.
- Adequate provision for equipment storage, including a separate store for foam mats.

<b><i>Rating</i></b>	<b><i>Definition</i></b>	<b><i>Score</i></b>
High Quality	Complies with all six of the criteria	5
Above Average	Complies with five of the criteria	4
Average	Complies with four of the criteria	3
Below Average	Complies with three of the criteria	2
Poor Quality	Complies with two or fewer of the criteria	1

##### **b) *Changing facilities:***

<b><i>Rating</i></b>	<b><i>Definition</i></b>	<b><i>Score</i></b>
High Quality	Male, female and dedicated disabled changing facilities with lockers, toilets and showers, for use by indoor sports only, well-maintained and cleaned and meeting Sport England minimum dimensions.	5
Above Average	Male, female and dedicated disabled changing facilities with toilets and showers, for use by indoor sports only, well-maintained and cleaned and meeting Sport England minimum dimensions.	4
Average	Male and female changing facilities with toilets and showers, for use by indoor sports only, adequately maintained and cleaned and meeting Sport England minimum dimensions.	3
Below Average	Male and female changing facilities with toilets and showers, for use by indoor sports only, but poorly maintained and cleaned and not meeting Sport England minimum dimensions.	2
Poor Quality	Male and female changing facilities with toilets and showers, but shared with outdoor sports users poorly maintained and cleaned and not meeting Sport England minimum dimensions.	1

##### **c) *Disabled access:***

<b><i>Rating</i></b>	<b><i>Definition</i></b>	<b><i>Score</i></b>
High Quality	Full disabled access throughout the building and specific provision of dedicated disabled toilet and changing facilities.	5
Above Average	Disabled access to all key areas of the building, including dedicated disabled toilet and changing facilities.	4
Average	Disabled access to most of the building, including the sports hall, but no dedicated disabled facilities.	3
Below Average	Very limited disabled access with no dedicated disabled facilities.	2
Poor Quality	No disabled access with no dedicated disabled facilities.	1

d) **Overall maintenance and cleanliness:**

<b>Rating</b>	<b>Definition</b>	<b>Score</b>
High Quality	A high standard of facility maintenance, with no obvious faults in the structure of the building and/or its services, good decorative order and no evidence of grime, litter or graffiti.	5
Above Average	A good standard of facility maintenance, with very minor faults in the structure of the building and/or its services, good decorative order and very limited evidence of grime, litter or graffiti.	4
Average	A reasonable standard of facility maintenance, with limited faults in the structure of the building and/or its services, moderate decorative order and limited evidence of grime, litter or graffiti.	3
Below Average	A poor standard of facility maintenance, with obvious faults in the structure of the building and/or its services, poor decorative order and significant evidence of grime, litter or graffiti.	2
Poor Quality	A very poor standard of facility maintenance, with significant faults in the structure of the building and/or its services, scruffy decorative order and substantial evidence of grime, litter or graffiti.	1

e) **Car parking and general access:** Presence/absence of:

- Dedicated car parking.
- Number of spaces meets Sport England standards (usage capacity of the facility x 2 for changeovers x 0.67 for shared car use).
- Dedicated spaces for mums/toddlers and disabled.
- Good signposting.
- Adequate lighting levels over the whole area.

<b>Rating</b>	<b>Definition</b>	<b>Score</b>
High Quality	Complies with all five of the criteria	5

### **Playing pitches**

#### **26) Assessment criteria:**

##### **a) Playing surface:**

<i>Factor</i>	<i>Definition</i>	<i>Score</i>
Grass cover	The % of grass cover on the pitch. A bare goal mouth represents 5% of the pitch. Weeds (dandelion, clover, plantain and daisies) should be counted as 'bare' areas.	%
Grass length	Appropriate to the sport (shortest for cricket, longest for rugby).	%
Pitch size	Complies with recommended pitch dimensions.	%
Safety margins	Complies with governing body requirements.	%
Pitch slope	The overall gradient and cross-fall of the pitch (flat = 100%, slight = 80%, gentle = 60%, moderate = 40%, severe = 20%).	%
Pitch evenness	The extent to which the pitch is bumpy, rutted or uneven	%
Dog fouling	Any evidence of dog fouling	%
Unofficial use	Any evidence of unofficial use (informal kick-about, training use etc.).	%
Damage to surface	Any evidence of problems such as tyre tracks, golf divots etc.	%
Goalposts (winter sports)	The extent to which posts are upright, straight, painted and not damaged. For football, net hooks on both sets of posts. If posts are removable or dismantled, score 100%.	%
Cricket wicket protection	The extent to which the wicket is protected when not in use (e.g. roped off, movable covers etc).	%
Line markings	The extent to which line markings are clear and straight (for creosote lines, score 20%).	%

##### **b) Changing provision:**

<i>Rating</i>	<i>Definition</i>	<i>Score</i>
Overall quality	The extent to which the provision is well-maintained, clean and user friendly	%
Evidence of vandalism	The extent to which there is any evidence of vandalism, such as damage to doors and windows, broken glass, graffiti, fire damage etc.	%
Showers	Are there showers and if so how good to they appear to be?	%
Toilets	Are there toilets and if so how good to they appear to be?	%
Security	The security of the provision and any evidence of break-ins.	%
Segregated changing	Are there self-contained changing rooms? Are there communal showers? Can male and female teams use the provision at the same time?	%

##### **c) Other aspects:**

<i>Rating</i>	<i>Definition</i>	<i>Score</i>
Car parking	Presence of on-site car parking for around 20 cars. The nature of the surface (e.g. hard surfaced, pot-holed etc).	%
Public transport	Links to the public transport network (a good score applies if the site is within 10 minutes walk of a bus stop or train station).	%
